

2024 Future Stars Summer Day Camps

AT ST. ELIZABETH UNIVERSITY

2024 Parent Handbook

OUR MISSION

Future Stars' mission is to provide a quality service that reaches beyond our campers and parents' highest expectations. We want campers to experience the best of the best!

OUR PHILOSOPHY

The Future Stars philosophy is rooted in the belief that we are responsible for the health, safety and personal growth of all our campers. We believe that the positive example of our entire staff will directly reflect on the attitude of all our campers. We believe that each day should provide a learning experience in promoting self-esteem, meeting new friends and mastering new tasks for both campers and staff in an environment of fun, cooperation and caring. All of us, staff and campers, work together to help each other reach our potential. It is our duty, each one of us, to make sure each camper comes to understand the meaning of friendship, teamwork, and accomplishment. This philosophy is captured in a relaxed atmosphere where learning is emphasized and fun is inevitable.

OUR STAFF

We take pride in the staff members that make Future Stars run. We work as a team to provide the most unique experience that a camper can have. The camper's accomplishments are due to the the hard work and dedication that are vital to the success of the camps. Campers look up to and model the behavior of their counselors. Our staff make a lasting, and positive impression on their campers.

“

We can't even tell you how wonderful it was to see our kids come back to life. For two working parents, your camp was a lifesaver.
